As many of you know, all the educational institutions have been reopened since September 12 and the university halls have been reopened due to the closure of educational institutions due to the long 18-month Corona epidemic.

Through this, the activities of the halls of the university have started and the Board of Secondary and Higher Education has called for physical classes from next month. However, our tender-hearted students have suffered the most in Corona. Corona is the main reason for the reluctance of those who are in the first to fifth grade.

But since now the corona effect has decreased by about two to three percent. Therefore, all types of educational institutions have been opened. All types of exams will be taken by these students through short syllabus. Board of Secondary and Higher Education.
